About the State

Within the past ten days the Green
Mountain Card company of White River
Junction has shipped five tons of post
cards.

The 150th anniversary celebration of
the granting of the charter of Cavendish,
which was to have taken place Thurs-
day was indefinitely postponed as four
cases of smallpox have been reported in
the northern part of the town.

Antoine Ryes, an old soldier, died sud-
denly in Sheldon Thursday. Mr. Ryes
had been married in St. Albans two
days before his death to Harriet White-
head. His first wife died six weeks
ago and the husband of his last wife
died last summer.

Wesley Sanborn of Enosburg was
quite badly burned about the face re-
cently, when he pumped water from the
bay about two weeks ago when it
was lighting an imitation cigar made of corn
silk when the blaze from the paper
wrapper set fire to the shade.

As she tried to dodge two bicycles,
Miss Louise Leland of Johnson was
struck by one of them and thrown to
the ground. Both bones of the left leg
were broken at the ankle and one of
the bones was also broken farther above
the ankle. This was Miss Leland's third
experience with broken bones this year,
as within that time both wrists have
been broken.

Reports from the state laboratory at
Burlington are to the effect that the
water which is being pumped from the
bay and which is being supplied to resi-
dents of certain sections of St. Albans
is "infected water" and should not be
used for drinking purposes unless it is
boiled. Warning has been made by the
health officer and this should be heeded.
